**For Children with Additional Support Needs**

## Saturday, 23rd April, 2005, 11 am - 4 pm

**CALL Centre, Paterson's Land, Moray House School of Education,  
St John's Street, Edinburgh EH8 8AQ**

The Day is run by specialist staff from the CALL Centre, KEYCOMM, FACCT, SCTCI and TASSCC (ICT and communication aids centres) and other centres. Funding has been provided by Communication Matters.

This will be an Open Day for parents and the whole family of children with additional support needs. Come along if you would like to learn more about (and try out!) software and hardware and specialised communication technologies that might help to support children with communication and /or writing problems. (Teachers, therapists, social work and social care professionals, or others, are also welcome.)

There is no charge for the day. Refreshments will be provided. Drop in, or stay all day.

There will be displays of information and materials, free internet access, and demonstrations of software on both Apple Mac and Windows PC computers. There will be opportunities to have 'hands-on' time on computers, with experienced staff on hand to advise and suggest suitable educational software - and to untangle you if necessary. You will have a chance to play with toys adapted for switch use, make your own cards, watch videos, play games, win prizes in our Treasure Hunt, and so on.

At intervals during the day, there will be activities such as 'story time' sessions using toys, simple voice output devices and symbol story boards; music-making sessions; and a chance to ride in the 'CALL Centre Smart Wheelchair'.

Please let us know if you wish to come, and tell us the ages of children you are bringing, so that we can be prepared! Please phone the CALL Centre (Tel. 0131 651 6236) well in advance if you wish to discuss any special arrangements your family might require. **Early booking is advised!**

*Please return to: CALL Centre, The University of Edinburgh, Paterson's Land, Holyrood Road, Edinburgh, EH8 8AQ, or email [call.centre@ed.ac.uk](mailto:call.centre@ed.ac.uk), by Friday, 8th April.*
